No. 617, Harry Beardsley, engi-

A TRIP OF INSPECTION.

arm of the East river passes to the right and almost around Judge G.'s place. A dam is thrown across this arm and a sluice-way is made, which is controlled by a gate. If the tide is flood and the gate is raised the water

GUBERNATORIAL TOUR OF THE
OYSTER GROUNDS.

Interesting Incidents of the Trip—Talk
With a Captain of His Experience as
a Rescuer—The Great Works in Progress at Newport News.

(Written for The Times.)
The Governor and party, on the trip to in, spect the syster grounds, left Richmond on Monday last by way of the York River Division of the Richmond and Danville railier oad at 4.28 P. M. The train was in charge of Captain J. W. Moseley, and was drawn by engine No. 617, Harry Beardsley, engi-

MOBJACK BAY.

to their signals to us.

No Moscoy, and was urawn by engine No. 615, Harry Beardsley, engine No. 616, Harry Beardsley, engine No. 617, Harry Beardsley, engine No. 617, Harry Beardsley, engine No. 618, Harry Beardsley, engine No. 61

on her wharf until his only cut "being completely "car" the the young lady " was to acrobate feat in jumping contable feat in jumping contable feat in jumping contable. After supper our in Seth Foster, of the Statepeake, reported to the Governow and core made our party mest defortable. After supper our in Seth Foster, of the Statepeake, reported to the Governow and greed several centlemen who deel joined the party on the verticeking that grandest of le Yerk, and the conversation was of a most enjoyable much so that it was progration. Among the gentlemen Major Hill, member of the slature from King William Mr. Hundley, member of the slature from King William Mr. Hundley, member of the slature from King William Mr. Hundley, member of the slature from King William Mr. Hundley, member of the slature from King William Mr. Hundley, member of the slature from King William Mr. Hundley, the member of the slature from King William Mr. Hundley, the short of the ships is approaching the wrecked Ship.

After the medal had been duly examined and admired by us all, the noble old Roman trunch its quid and spun his yarn as follows:

"It was about the footer, and to one of our party on Tues. Learns, of "Ditchloy," and of the merchantship Curritinek." We had 250 passengers, and a cargo of general merchands, bound for New York, We crossed the North sea, ran down the Euglish chancel and passed out to the Euglish chancel and passed out t

his boat raised the car there and core beautiful specimens of "What you ask for the boy. "How do you can." said the boy. "How do you can." said the boy. "All in F. and upon counter had upon cou

Among so many passengers there were quite a number of nursing children, and as the mothers could not nurse them I lost thirty-six children, but only one adult. It was a hard matter to provide shelter of any kind for so many, and one of the expedient I resorted to was to knock the heads out o several large water casks which I had, an let the poor wretches take up their quarters

ment, and ranning along at the put twelve miles an hour, we soon it spetched to we should be an hour, we soon it spetched to make a hour, and our several large water casks which it had, and so the presente of which is situated miles for the mouth of the Rappa art opposite of which is situated miles for house of the Rappa art opposite of which is situated miles for house of the Rappa art opposite of which is situated miles for house of the Rappa art opposite of which is situated miles for house of the Rappa art opposite of which is situated in the state of the consers were using the tongs in them. When I got to New York the merchants and citizens made up a purse of \$500 and gave it to me with this medal. I took had can deal bought an interest in my ship, the "Carrituck," which was thereby lost to me and outlet have been and bought an interest in my ship, the "Carrituck," which was thereby lost to me and bought an interest in my ship, the "Carrituck," which was thereby lost to me and bought an interest in my ship, the "Carrituck," which was thereby lost to me and my heirs forever; and it happened in this way. I was on my war down here to to ask, one man adjusts the tongs, ing them with outspread jaws, the man the water with spinsh, and go down my ship to the North and sold her. Part of which is sting, then pulls the rope more ity until he is satisfied from the the had to the man purse the proper signal to the man purse it in the water with the house of the man purse. It goes the establishment of the blockade, I was carried into Hampton Rods, where they put me ashore, and took my ship to the North and sold her. Part of which is satisfied from the the water is a small to frequently an indifferent was received in the man purse of \$100 and the purse of \$100

omored of sweet sounds.

NEWFORT SINWS

We were all up bright and early on Thurs day noming (25th plantal), and after an elegan miles up the river we sighted the break and the more approach to the break of a series of the series o

Office of the collector of the United States internal revenue reports collections for the city of Richmond to-day as follows: Tax paid cigars and cigarettes, \$4,932.72; to-bsccos, \$1,495.50; special, \$110.08; penalty, \$13.70; total, \$6,552.

Registered at the Tobacco Exchange Saturday, September 27th, 1830; J. A. Henderson and James G. Pence, Danville; C. Hobson, Goochland.

We clip from the Henderson (N.C.) Gold Leat!

Miscellaneous.

NEW YORK, Sept. 27.—Money was easy throughout the morning, loaning at 3 per cent., and closed offered at 3 per cent., Exchange closed quiet and steady; posted rates, 481½ (2485)½; actual rates, 480½ for sixty days, and 484½ for demand. Governments closed steady; currency 6's, 114 bid; 4's, 123½; 4½'s 103½.

The stock market was moderately active this morning, 125,549 shares changing hands in the hours of business. The chief speculative interest centered in the Sugar Trusts, 8t. Paul, Louisville and Nashville, Atchiason, and Tennessee Coal. Prices were weak and declined with but little interive upon the same subject, in Oxford, such men as Major N. A. Gregory, W. C. Reed, W. A. Bobbitt, O. S. Smoot, W. I. Wilkinson, John Meadows, Dr. E. T. White, and others, and they likewise agree that the crop is not coming up to their expectations at all as to quality. In fact, I find the tobacco trade in Eastern Carolina very much disappointed as to the quality of the crop."
